“ Aaron was a tough minded, tenderhearted man who filled up the room with his presence. He loved to laugh; that zany giggle was so characteristic of him! Aaron loved his family above all and he loved being a firefighter. We will miss his energy and enthusiasm for life. We pray for you, Lecia, Larissa and Stephen, Jennifer, and the beloved little Noah, who brought such joy to Aaron in the last months of his life. May God hold you all close and comfort you in the coming days as you go on without Aaron.
Much love from John and Anna Marie

“ Aaron always had a smile on his face, a welcoming attitude and kindness and compassion for others. It was a pleasure to work with him but a greater and lasting pleasure to know him as a friend. My deepest sympathies for Lecia and family.
