“ *Mom, I miss you so much . I missed our daily phone calls we used to have every day, then I missed you not be so close by, then your memory got worse & worse but you always remembered me. Then the day came when you no longer spoke and all I could do was pray for you and let you know how much I love you and didn't want you to suffer in pain. I promised you that I would be ok but I never told you how much my heart would ache not having you hear. I know I will see you again
so all is not lost & that hope renews my strength. I LOVE you now & forever Mary Clare <3 <3 <3*
