“ I would like to send our deepest sympathy to the family of Albert's - unfortunately I never met any of you but I went to show with Albert all my life and was his neighbor (my family lived on top of the hill). We had lots of fun as kids tobogganing - base ball games - kick the can - cops and robbers - unfortunately I did not hear about his funeral till it was over.

Paul and I would like to say we are very sorry to hear about his passing - much too young as he was the same age as me. Our deepest sympathy Paul and Lillian Smith (Mittelstadt)
