“ Alice will be greatly missed. We will always remember her as a strong and happy person, who was full of love and always giving of herself.

Alice, even though you have gone home, there are a great many things that will remind us of you, on an everyday basis. You always had a ready laugh an optimistic outlook and an encouraging word. We spent time together, that will always be remembered, scrabble, egg salad sandwiches, hours spent peeling apples, and going to dances together, we had a lot of fun on the dance floor! And many pleasant visits. Thank you, Alice, enjoy the bliss you so deserve. Till we meet again, Elaine and Roger
