“ I met the Hochachka's at Lucy and Harry Sidor's. Lucy and Anne were sisters and so the Hochachka's would be invited to family functions over the years. We enjoyed Christmas', Easters, wedding and baby showers with them. I taught at the Notre Dame School in Morinville which was part of the North Central West ATA division. We would have Conventions with Devon and therefore I got to know Anne better as I would meet her at the conferences and sessions. We always looked for each other and had a nice visit. I will always remember her kind, gentle manner, beautiful dark blue eyes and smile. I know that she is pain free and enjoying a reunion with the rest of her family! Those of us left behind will really miss her but we shall meet again.
I close with love, hugs, and prayers to the whole family,
Regina (Sidor) Welsh

Mrs Hochachka was my grade two teacher at the Iron River school back in 1958, when your family lived in the Iron River district. I have such fond memories of your family.*
