“ I just loved this wonderful woman. She was a great cook and welcomed the opportunity to share good food with friends and family. Despite her health over the past years, she put on a brave face and always had a good story to tell about the family, especially the grandkids and great grandkids. And she certainly knew how to buy great Scotch for Uncle Wally! Rest in piece "Annie"!

“ *The first time I met this sophisticated, well travelled lady, we had just purchased a new jd 4- wheel drive tractor. She gets up in the cab with me and wants to see what it can do.:) We were friends ever since.*
