“ I remember coming to Edmonton for the first time to visit Dawn & Archie, needless to say being from Nova Scotia I was a little overwhelmed with the vast size of Edmonton, Archie lugged me & my twin sister Dawn (his wife) wherever we wanted to go, drove endless hours to make my trip special & he always made me feel welcome, whatever was his was mine while I was here. Archie had a HUGH heart, was a patient & loving man & I will miss his wonderful smile & puppy dog eyes, to a great brother-in- law, special man & caring loving husband to my sister I will miss you Archie, but I am so grateful I got to spend this Christmas with you & Dawn, may you rest in peace & look down on all of us with love & peace. Love & miss you Gail
