“ We first met Ozzie when Jack and Jeff were little playmates in Malmo.

We remember her as a quiet, gentle person,
Her loss will certainly be missed by her family, but what a reassurance to know she is at peace with the Lord.

“ I am one of Ozzie's nursing classmates. I was so sorry to hear that she had passed away.

Cancer has taken so many of our classmates. Our class had such a bond after spending
3 years in residence and helping each other through the good and bad times, that it was like a family really. My sincerest sympathy to all the family. Elaine Tully
