“ I shared some fun holidays with my cousin Barb in our younger years. We had Christmases at the farm with our Grandparents & all our other cousins, aunts, & uncles, or parents & siblings. We had such great times playing together, sleeping all together in one bed, skidoing in the fields, skating on the ponds etc. These memories I will always cherish and will always remember Barb in happier times, her smiles, her energy and enthusiasm and big heart! RIP and God bless you, cousin! We love you always and our condolences to your family and extended families.
