“ I remember Bart as a fellow student, football and basketball champion, and musician. But my fondest memory of Bart is of his outstanding service as a missionary in Korea. I will miss you and look forward to seeing you again some day. ??? ?????

I apologize for the question marks at the end of my previous entry. I had entered the Korean expression for "goodbye" but it got messed by the web site. I really do look forward to seeing you again Bart.

“ Bart is a great man. He will be missed by all who knew him. I remember his first birthday celebration at their acreage. He had fire works that did not go off as planned, and had everyone diving for cover as rockets went all over the place. Afterwards while cleaning up he said, well at least no one will forget it.....it was very funny.

“ I met Bart when I joined the CISM team at work, he was a man of integrity and had a heart for those in need.
