“ Rod, Ashley and Kyle,

It broke my heart to hear about Bonnie. Heaven certainly did receive the best. She and I worked closely together at St. Arnaud for numerous years. She will forever be missed. My thoughts and prayers are with you all through this very difficult time.

“ *We have so many wonderful memories of our sister-in-law and auntie to choose from but we are so grateful that Rod and Bonnie were visiting us in the Okanagan recently. We will always remember her smile and her laughter. Our hearts and love go out to my brother and niece and nephew.*

“Hearing of Bonnie's passing has brought forth a flood of memories. Memories of good times, years ago - teaching together at Rutherford, cooking and sharing wonderful meals, exchanging recipes, laughter. We shopped for baby clothes and looked forward to the arrival of our babies. And when they did arrive, there were birthday parties, and picnics, camp, visits to the zoo. Bonnie and Rod were there when we got married on Christmas Eve. Then for many Christmas Eves to follow would attend our family gatherings. Bonnie always contributed a delicious dish to the meal. One year she brought a beautiful mud pie. It was frozen so hard she struggled and struggled to get it sliced. A lot of laughter ensued. Warren, Bonnie and I went to listen to Rod's band play. We had dinner parties until it became too much with the kids. Later we seemed to go our different ways. The children were busy with their own activities and we lived across the city from each other. But I thought of the Kufflers often and always meant to call and catch up. In recent years I hadn't called and I regret it. Bonnie was a kind, generous friend. I remember her sense of humour and her quickness to laugh. She loved family.

Our condolences to Rod, Ashley and Kyle. We are so sorry for your loss.

We will remember Bonnie with love.

“ I have so many memories of Bonnie it is hard to choose which one to share. She was one of the "Block Moms" - always watching out for one of the 12+ kids on 51st. She would bring us drinks and snacks when playing games on the front step and always wore a huge smile. Bonnie would also cheer me on at dance competitions whenever Ash and I were in the same show. Once I moved out of my childhood home my one regret was never visiting the neighbours when I came home to see my parents. I hadn't seen Bonnie in a few years and wish in my heart of hearts I had. Thankfully I have recently reconnected with Ashley and have been a strong support for her through this. (At least I'm trying to be.) All my love to the many she left behind. xxoo Katie

I met Bonnie through work and enjoyed the brief conversations we would have. She seemed like a no nonsense type of person. I will miss seeing and chatting with her. I will miss you, Bonnie.
