Brett Snow of Edmonton Alberta, Passed away at the age of 51. Brett was originally from Toronto Ontario but moved west to Alberta in the late 1970's with his mother Sandra, sister Angela, and brother Stacy.

He was a server for many years and was always loved for his gift to gab, and could strike up a conversation with anyone.

Brett Snow and Nikki Poulin married on July 31 2004, and then went on to have 2 beautiful children, Jack and Jorddyn, to go alongside his 2 children from a previous relationship, Jeff and Jessika. The J's!

Brett Snow is predeceased by his mother Sandra and his grandparents, and he is survived by his wife Nikki, children Jeff, Jessika(husband BJ), Jack and Jorddyn. His Sister Angela and his Brother Stacy as well as many loving and wonderful Nieces and Nephews.

“ I could share thousands of great memories of the times Brett and I had. We grew up together in Scarborough, went to the same schools together, hung out and went through the good times and bad together as good friends. The one story that I still share with people these days is quite funny. We were in the same class at Pringdale Gardens grade 5, well Brett had been acting up in class and Mrs Laflame had taken him to the Principals Office. At this time we were in a portable so we had been watching out the window for the teacher to come back and we see Brett but no teacher walking to the portable. This was my chance to give Brett a scare so I told everyone to be quit and I turned off the lights and hid behind the door ready to jump out at him. Well what happend was the Teacher had cought up with Brett so she was the first one through the door and I jumped out and yelled well the papers she had went flying and she grabbed me by the ear and dragged me back to my desk. When I look at the picture of Brett here thats just how he looked at me that day.

Thinking of you Brett....
