“ Dear Kathy, Jaycie and family,

*I am very sorry for your loss and I want to thank you for letting me both visit in September and then talk to you and holding the phone to Brian's ear for me the night he passed.*

*I wouldn't even know where to start with a story about Brian (Shad) as mostly what I know is he was always a good friend to me and he never changed no matter what all the years I was privileged enough to know him.*

*It is and always has been very easy for me to understand why so many people who knew him loved him.*

*The term "good guy" is often too loosely used, but in Brian's case it was absolutely true.*

*It always meant a lot to me that you guys came to Sherry and I's wedding and I will always be thankful for Shad's friendship for over 40 years!*

*May he rest in peace and may your sorrow and grief be soon replaced with fonder memories.*

*Love Roger and Sherry Lambert*
