“Cary was one of the good guys. Whenever I called on Cary he loved to show me the latest pictures of his girls along with a tale of what was new in their lives. His love of family was genuine and his enthusiasm for his career along with his wealth of knowledge was always impressive. I had great respect for Cary, his quick smile and sense of humor always made a work day better. Rest in peace Cary, you will be missed. Our deepest sympathy goes to your family and all those you loved dearly.
