“ I was saddened when I heard that Christine had passed. I met her while working for Horizon and she was one of the main reasons I stayed there. I was privileged to call her my friend after she left there. She was missed then and she is missed now and won't be forgotten.

Goodbye Christine RIP

“ What sad news I was just told. A beautiful vibrant young woman named Christine Oswald has passed away. We worked together at Horizon North Camps and Catering in Sherwood Park AB and Edmonton. She was loved by everyone she came in contact with. Christine was a fighter but sometimes Cancer wins. My heart ached for you Christine when you told me you had Breast Cancer and now it is broken. Heaven will welcome you with open arms.
