“ *Dear Lunty family,*

Please accept my sincerest sympathy on the passing of your beloved son, brother, uncle, nephew, grandson, friend and community hero.

I met your son Clinton a couple of summers ago at a soccer tournament at the Griesbach field in Edmonton. He made a wonderful first impression on me, for I loved his gregarious sense of humour and his fantastic personality. My son Nicholas played soccer with Clinton and they also volunteered together.

May God bless you Clinton. You were a hero in the community and your smile is forever etched in my memory.

A very sad time for Nicholas and me.

Heartfelt condolences,

Sheila Rolfe.

“ *I had the pleasure of skiing with this young man.*

Clinton lived each day to the fullest, made me laugh countless times.

Still won't forget going down to Jasper with Clinton. That was a great trip.

Coach Marie told me to take Clinton up the hill to ski, and we spent the whole time laughing instead of skiing.

Still won't forget your first time you went through the gates and your cute little tuck position at the end.

I guess god needed another angel and couldn't have asked for a better angel.

I can't wait to see you in heaven and we can share a laugh.

Rest in peace buddy.
