“ We loved his laugh, it was so contagious!! Dave was a wonderful person who had a huge heart. He loved to laugh and have fun. We have so many memories of Dave. When I met him, he was about 2 years old. This skinny little kid with a big mouth. lo He was always making loud noises. Even though I wasn't around at the time of his babtisim, I was very proud to call him my God son, Nephew and friend. I love you Dave and you'll forever be in my heart and the heart of uncle Gord too, who I know loved you a lot too. You'll be forever missed. God speed. xx oo
