“ *I knew dawn back in high school we were good friends. I remember her very well and always remember that smile she had even in tough times she always tried to stay tough. Unfortunatley we lost touch once she left high school but we did bump into each other a few times and from what I have read in her obituary I am glad that she found happiness in BC and that she was surrounded by many who loved her. My heart goes out to the family. monica Marino*

“ Always like a little sister, I am really very sad we weren't able to coordinate getting together when I came out for the South Country Fair this past summer. It would have been nice to see your face again in person. We kept in touch and that's a great thing, since we have been siblings since childhood. My memories of you are special and I will cherish them always. Rest in peace, sis. We will miss you terribly.

“ I have so many childhood memories with Dawn. Having a firecracker for a best friend definitely does have it's fun. Always running around the school yard. Playing sports. Being the only 2 gr 5 to make the sr girls soccer team. We got into some trouble but always we worked it out and often got away with way too much. You will be so missed.

“ Dawn, I will never forget our friendship, you will be missed dearly. Your free now..

I'm Free

*Don't grieve for me, for now I'm free;
I took His hand when I heard Him call;
I turned my back and left it all.
If my parting has left a void;
then fill it with remembered joy.
My life's been full, I savored much;
good friends, good times,
a loved one's touch.
A friendship shared, a laugh, a kiss;
ah yes, these things, I too, will miss.
Perhaps my time seemed all too brief;
don't lengthen it now with undue grief.
Lift up your hearts and share with me;
God wanted me now, He set me free*
