

Donna Lauraine Johnstone

June 15, 2015 - November 27, 2015

With profound sorrow we announce the passing of Donna Lauraine Johnstone. Donna passed away peacefully in her sleep at St. Joseph's Hospice on the morning of

November 27, 2015, on her own terms.

Donna is survived by her three children; Nicki Gardner (Cory), Kathryn D'Aoust, and

Tyler Johnstone (Heather). She also leaves behind three grandchildren; Rielly Gardner, and

Lily and Jack Johnstone. Her sister and best friend Kathy Henderson (Ron) also mourns her

passing, as well as her two brothers, Murray and Roland Clark.

Donna was a remarkable woman and loved by so many. Her happiest times were spent

with her family and friends, as well as the many winters with her sister and brothers in

Mexico.

At her request, there will be a private celebration of her life. Heartfelt thanks for the

wonderful care given to her by the palliative care team at St. Joseph's Hospice, and

Home Care. In lieu of flowers, please send donations in Donna's name to the

St. Joseph's
Auxiliary Hospice.
