I would like to offer my heartfelt to the family and friends of Mrs. Hatfield.

She was my high school English teacher and her high expectations encouraged me to strive for excellence. It was an honor to share her retirement with our graduation.

She led an amazing life and touched the hearts of many. She will be missed by all.

“ Sincere condolences on the passing of Mrs. Hatfield last month. I recently returned home from travel and learned of her passing. I have fond memories of our English and French classes in Calmar and will remember her as an outstanding instructor who demonstrated a very high level of commitment to her students.

In addition, Mrs. Hatfield shared her challenging experiences in England during the WWII time period and this left an unforgettable impression on me in terms of what it means to deal with conflict and adversity.

“ Mrs. Hatfield was my English teacher in Calmar many years ago. She was one of my most inspirational teachers as well. I am so sorry to hear of her passing.
May you feel comfort knowing how influential she was in so many of her students. She has impacted so many lives in her teachings of English as well as life. She packed a lot of authority, understanding and discipline in her small size!
She was truly a great person.
Rest in Peace
