

## Edna Mae Krukowski

August 15, 1933 - January 8, 2016

Edna Krukowski

1933 - 2016

It is with deep sadness that we announce the passing of Edna Mae Krukowski at the Leduc Community Hospital on Friday, January 8, 2016 at the age of 82 years. Edna was born in Rocky Mountain House, but spent the majority of her life in the Edmonton area. She would become a lover of animals, food and the simple things – she had an amazing sense of humour, was very accepting and always encouraged her grandchildren; helping them along the way – she was a true joy to be around - Edna will forever be lovingly remembered by Lynne Fredrickson, who Edna treated as her own; becoming one of her best friends; grandchildren, Cody, Dylan and Heather, as well as Barry and Debbie; son, Donald Fredrickson, several extended family and the many staff and friends at Cloverleaf Manor in Warburg. Edna's family would like to extend their sincere appreciation to all staff at Cloverleaf Manor, Doctors and staff at Leduc Community Hospital and Dr. Marlene Ann Hamilton of the U of A Hospital for the extraordinary love, care and concern shown to Edna. If so desired, memorial contributions in Edna's name can be forwarded to Cause for Critters, Bay 3, 5450 55 Street, Drayton Valley, Alberta.
