“*Rest in peace Nonna. It is hard to express just how much of an impact that you made on my life. I moved to Edmonton 38 years ago and this incredibly warm, kind, generous, strong (there are not enough adjectives) woman welcomed me into her life and family. She had a way of making everyone feel as though they were special. Her door was always open to whom ever needed it. You have touched so many lives & you will be so missed. I was so proud to call you "mother-in-law". The world won't be the same, but God has another angel. Ti amo (I love you), Ann*
