Ewald had many loves – his family, people, welding, farming, combining and CHOCOLATE. The Kwirant family would like to thank the countless amount of friends who have supported their father by lending a helping hand, showing kindness and by "being there" – you know who you are.

“ Ewald was so well respected as a businessman, neighbor, volunteer in his community and in his role as councilor for Yellowhead County. He will be missed by all who knew him. My heart goes out to his family who have lost both parents in such a short time. My thoughts and prayers are with you all.
