“ *We were very sad to hear the news of Gil. We hope that you are all surrounded with much love and many hugs of those that love and care for you.*

*Alex, Kat and I were talking about how Gil was the first person to take them on a quad at GG's house when the family all got together to celebrate her. They have memories of the Uncle's (Gil, Hartley) and their Dad taking them to the beach to set off fireworks. There are many great memories of Gil, Myron and Hartley together at our house, GG's and Popi's house. We will always remember the good times.*
