“ *Momma, words can't express what I am going through right now and I know that they can't express how much I love you and miss you! I would give anything to have you call me at three in the morning to check on Will just so I can hear your voice one more time! I know that's being selfish, but I am not ready to let you go. I have so much I want to tell you just to hear you laugh so hard you start to cry, things that weren't that funny but you would laugh and laugh and I would have to wait for you to catch your breath before I could keep talking. I want to French braid your hair again and watch you sit on the couch just watching the kids with a big smile on your face. I'm not ready for this mom! I LOVE YOU SO MUCH!*
