“ Well Poppy here's a memory for you. I know you know just what happened. For all the family that might see this. I just spent half an hour typing out a message that was very in the moment and heart felt then lost it by lighting a candle. Well needless to say I'm pissed lol. Poppy knows me well enough he's busting a gut laughing at me right now. Guess I won't be lighting anymore candles or sending flowers loll. If there's anybody out there that will read this please call me 250-686-4106 Charlie
