“ Sincere condolences to all the members of Hank's family and friends. I have not seen him since he left our small Saskatchewan village of LESTOCK. I know his passing will be a great loss to all of you. May you have comfort in knowing that old school chums still care.

“ I have many good memories of Hank but the one that sticks out is when we were at the horse show in Moosejaw and he wouldn't quit talking. Told Marilyn to pretend he was a canary and throw a blanket over him to shut him up.
