

Hob Murphy

August 5, 1955 - November 13, 2014

A Viewing will be held from 7:00-9:00 p.m. on Friday, November 21, 2014 at Serenity Funeral Service, 5311-91 Street, Edmonton. A Funeral Service will be held at 2:00 p.m. on Saturday, November 22, 2014 at Celebration Church, 7215 Argyll Road, Edmonton. “ Dear Autumn, I'm sure you know how very sorry I am for your loss. Hob touched my heart deeply many years ago and I am grateful that we were all able to continue our friendship for so many years. I regret that I did not act on my instincts and travel to Edmonton this October, as I had planned, in hopes that I could visit with both you and Hob. But, I didn't follow my heart and alas, did not have an opportunity to see an old friend....

I suppose the Great Spirit knows best and needed a good man like Hob sooner rather than later. Hob and Dave are free to soar the cosmos on the saddle of their Harleys and although we may not see them, I know that like me and Dave, you will feel Hob's presence in many ways over the days, weeks, and years to come.

I know that you have many friends and family who will gather around you at this time and provide a multitude of love and support but should you ever feel the urge to call, please do.

With love and condolences,

Kate

“ Autumn,
There are really no words to express the sorrow the loss and the grief. Taken from this earth far too soon. To me Hob was a mentor someone who proved with the right mind set we can make anything happen. In times when I longed for family you were both there for me. I am blessed to have known him and cherish the memories.
My deepest sympathy

“ It's been more than a week and I'm still unable to properly put my thoughts to words.
for how I feel. The motorcycle community and the world of Harley-Davidson has lost a true visionary.
Autumn, the love and passion that you and Hob shared for each other is rare and is very special in this world we live. The absolute love you showed each other should be a template for all others.
Shaun, You have lost a mentor and a friend. Take the torch that he passed to you and make sure it's flame stays bright and true to his passion & intensity for the motorcycle industry.
Staff of HHD, All of you may not realize the influence Hob had in the industry that you have chosen to work in. He was a detailed, passionate leader who always wanted to bring out the best in his staff and strive for customer excellence. His leadership and influence will stay with you forever.

Hob was a special person whose time ended far too soon. We will miss, but always remember Hob.

THE BROKEN CHAIN

*We little knew that morning, that God
Was going to call your name.
In life we loved you dearly,
In death we do the same,
It broke our hearts to lose you,
You did not go alone,
For part of us went with you,
The day God called you home.
You've left us peaceful memories,
Your love is still our guide,
And though we cannot see you,
You are always by our side.
Our family chain is broken,
And nothing seems the same,
But as God calls us back one by one,
The chain will link again*
