“*So sorry to hear about Holly, we had a lot of good times together, she lost many purses by leaving them on the roof of my car, she lost one shoe once, she was there for the birth of Symanne and of course the cheesecake. She will be missed.*

“*We would like to send out deepest sympathy on the loss of dear Holly. The one thing that I will never forget about Holly is her beautiful hair and how long it took me one day to brush out all the knots at the nap of her neck. That was long before she started getting that part cut. Love to all of you at this time. Marc, Lorena & Family*

“ *We spent many times together growing up, I remember all the times we spent playing at Creswell drive...and especially remember all the fun we had with Nanny and Papa at Cedardale campground. Your personality and laugh will always be remembered. But more importantly your ability to voice your opinion loud and strong (a family trait!). We love you and miss you and don't worry, Mike, Christopher and Xander will always be taken care of. Cheers to you Holly, you were an excellent Mother and we know you will continue to watch over everyone. You did an excellent job with the boys and can be a very proud Angel now. From Angie, Adam, Nanny Buttons, Uncle Barry, and Nanny Freda.*

“ Mike, Kris & Xander,  
Holly was such a joy to be near--her laugh was infectious. She was such a cheerleader for everyone around her, because she loved others with every ounce of her being. For ten months straight, she cheered me on as Xander's grade 2 teacher. She was there every morning, snapping selfies with me and the guitar that I couldn't play. We always had a laugh about something, and every memory I have of her is just so positive! At the end of the day, she was there again and we always made time for a quick visit before she scooted off with the boys. I am praying for your family-- she had so much love for all of you and I am heartbroken that you have to live with out her. May God comfort you with memories of all the joy that she brought to your world.
