“ Thanks everyone for the kind words, thoughts and prayers for my family and me. As some of you may be aware that we did not have a traditional funeral for Jack and are planning a "Celebration of Life" for him on Saturday, July 30th 2016. I thought I would post this as some of you may want to attend and having some lead time with planning summer vacation. Marie and Family.

Mark your calendars so you can join us on Saturday, July 30th, 2016 for the Celebration. More details will be given early next spring as to time, place and venue.
Jack always said that he was "half Irish and loved to drink" and was "half Scottish and here to pay for it." Let's have a "wee" drink or more while we share our special memories of him. As we walk down memory lane, there will be tears on many of our cheeks and knowing we shared part of his life with you will ease our aching hearts. Our tears will be of joy for knowing Jack touched not only our hearts but many of you who were his extended family, friends, colleagues and his health care providers.
We do not know an old fashioned "wee drink" and will
