

## Dr. Jeremy Dean Throness, D.C.

June 29, 1973 - January 31, 2014

The family of Dr. Jeremy Dean Throness sadly announces his sudden passing at the age of 40. He went home to worship his God in Heaven on Friday, January 31st.

Jeremy will be missed tremendously, and lovingly remembered by his wife, Jennifer; daughter, Violet (age 3 1/2); and newborn son, Apollo. He is also survived by his father, Dean Throness; mother, Connie Sweet Dallas; and siblings Matthew, Frederick, Zebediah, Josiah, Elizabeth, Anna, Haddie, Tosca, and Tonya.

Jeremy had a true zest for life: passionate and intense in everything he did. Jeremy fiercely loved and supported his wife and children. He was dedicated to his career as a chiropractor and truly cared about the health and well-being of his patients. Jeremy loved to challenge himself by hiking, running, biking, skiing, weight-lifting, and competing in the Spartan Race. He also enjoyed playing guitar, oil-painting and acting. Most importantly, Jeremy aimed to be a true and dedicated servant of the Most High God.

Please join us to celebrate his life on Friday, February 7th at 1:30 pm at Beulah Alliance Church. 17504 98A Ave, Edmonton
