“ Diane, so sorry to hear about Jerry. In the short time that Roy and I knew him, we could see that he was great soul. I loved listening to the music and watching the obvious joy that came to Jerry in the sharing of his talents with others. You are in our thoughts and prayers.

“ *Colleen & Kelly,*

I am saddened to hear about your Dad's passing on Sunday. My Dad passed away the same day, so I totally know what you're both going through. I am holding my loved ones a little tighter, because you never know when it might be your last moment with them. Tell them you love them. Often. Life is never long enough. Hugs to you both oxo
