“ There are so many happy memories I have of the times Gary and I had with Putt Putt and his family for so many years. The snowmobiling, parties and get togethers. Memories of meals at the pizza place where the kids watched them making pizzas and had free rein in the kid friendly pizza parlour. I can't remember whose wedding he showed up at dressed to the nines and wearing his ever present running shoes. My oldest son Warren calling him Putt Putt because he was slow and methodical, a name which lasted a lifetime. I know that Putt Putt will be reconnecting with my youngest son Darren. Darren will be there to meet him as he always talked with affection about Putt Putt. I am saddened to hear of his passing and send my love and thoughts to you all. He was a wonderful guy.
