“ Our condolences to the Namchuk and Harrison families on the loss of their loved one, Josephine. I first met "Jo" at Tomahawk High School. I was a couple of grades her junior, and always looked up to and admired her as a perfect lady. We met again most recently several years ago at the Tomahawk, Canada Day, parade and picnic. It was such a delightful treat to spend some time with her, her husband Nick and friends reminiscing about old school days and catching up on what we had been doing all those years in between. She was still the perfect lady I remembered from our school days..

*Sincerest Sympathies,
