“ *Your Dad and family have always held a special place in our hearts. I still remember the times, John and Jake (Hildebrand) would greet each other by bumping stomachs. Back in the day, there were many good times spent with your family...and they are wonderful memories.... I know Alan and Bob would have wanted to share their own condolences if they were still with us, so I'll do it on their behalf. Take care....Sincerely Carol & Rick Crawford*
