“ I worked with ' Rod ' as a Scaffold Builder & in this trade we use Hand Signals a lot as a way to communicate over the distance/ noise One of the Many Amusing things about Rod was how he used his Pinky Finger to indicate ' 1 ' many on the job were puzzled by this thinking it was some kind of ' new code ' & added to his Mystique . For me he was a Delight to work with & someone i Preferred to work with as a ' Partner ' - Fare Thee Well Rodrigue Blessings & Love
