

Mrs. Karol Anita Maschmeyer

October 17, 1938 - December 29, 2015

Karol Anita Maschmeyer, beloved wife and adored mother and grandmother, passed away quietly on Tuesday, December 29th, 2015. Born October 17th, 1938, to Roland and Katherine Lewis, Karol was raised in Rocky Mountain House and then Calgary, Alberta. Karol married her soul mate, Dennis Maschmeyer, on December 29th, 1962 and together they raised their three children on the family farm in Bruderheim, Alberta. Amid pursuing her enjoyment of horse riding, growing the family farm, and spending time at her lake cottage, Karol embraced motherhood and joyously welcomed the expansion of her family with 14 grandchildren.

Karol is survived by her best friend, closest companion, and husband Dennis Maschmeyer. Karol is the loving mother to her three children and their spouses Karoden (Perry) Shwetz of Waskatenau, Arlan (Christine) Maschmeyer of Bruderheim, and Tannar (Fiona) Maschmeyer of Bruderheim. Karol is also the proud grandmother to, and remembered fondly by, her grandchildren: Seyara, Kanesa, Peytlen, Shanya, Katresa, and Keydren Shwetz, Brittaney, Bronson, Brock, Emerance, and Kache Maschmeyer, and Levi, Ethan, and Aliya Maschmeyer.

Karol will be forever remembered for her desire to live life to the fullest without regrets, for her desire to pursue and follow through with her own bounty of dreams, and for her willingness to forever put family first in her actions, thoughts, hopes, and prayers. Karol was a dear friend to many but she will be best remembered for her fierce love, compassion, and belief in her family.

With sincere acknowledgement, Karol's family would like to recognize and appreciate every gracious staff member for the kind and knowledgeable care they provided to Karol during her stay at the Fort Saskatchewan Community Hospital.

A service was held on Wednesday, January 6, at 2:00pm, in the Christ Lutheran Church, at 9909 90 St. Fort Saskatchewan, Alberta. In lieu of flowers, donations can be made to the CK Hui Heart Centre, Royal Alexandra Hospital or the Mazankowski Heart Center UofA, Edmonton, Alberta.
