“ Kenny this world has lost a shining, amazing light. Your energy filled up a room and was still there when you left. Your sense of humor will be missed as well as your compassion and caring for everyone you met. It didn't matter if you knew a person for a long time or if you just met them, you made them feel like that mattered and that you truly cared for them. We will miss your great big hugs and your gentle, caring spirit. Our family is now missing a piece and we will forever miss you, but take comfort that now you are resting in the arms of Jesus. You were not only my brother, but my friend. Love you Forever and Always...Jim, Crystal & Madison Bradley

“ Anita, Shawn, Erin, Robyn, Jordan and Families,

Elaine & I are indeed very sorry for the loss of your husband & father . We both have always enjoyed our time with Ken. He was always fun to be around. We can only imagine the loss you feel. Ken was always a kind and gentle man. Even tho he did run over me with an A.T.V. Each and every time we think of Ken it brings a smile to our face. With his passing that smile is muted and we long for more . Our love and hearts are with you all.. Rest in peace Ken and we are so happy to have had the time we had with you !!

Love to all Auntie Elaine & Uncle Ernie ..Port Alberni B.C.
