“ *Diane and family: I was honored to attend Lawrence's service yesterday. I thought the tribute paid to him was one of the most personal and moving that I have ever heard. I do not know your family well, we met casually at Carnwood functions and our kids were of about the same school age, but I do remember what a good neighbour Lawrence, and you too Diane, were to my parents, and I wanted to attend the service for that reason. I learned more about Lawrence yesterday, than I ever knew and feel richer for that knowledge. Shaun, you expressed yesterday, your comfort in knowing that your Dad would rest beside Blanche and Ted, my parents. That comforts me too. I hope you can all keep the faith and remember the Promise in the tough days ahead.*
