“ I will never forget and forever be grateful to Linda for getting my babies to and from Kindergarten every day. She was the welcoming smile when they didn't want to leave me, and the loving caring "other mom" that they didn't want to leave when she would drop them off at home. You will be missed Linda! Rest in Peace my friend!

“ So sorry for your loss. I only knew Linda for a short time but we had an instant connection.. Our last conversation at work (I am in housekeeping) included putting our gardens to bed, sweet Williams her Grandpa loved, finding some for me, stumps with character for the garden, rocks too. Cherish the memories. She"s working in God"s garden now! Love--Charmaine

Charmaine Forth - October 18, 2014 at 04:13 PM

“ Written in the Stars was purchased for the family of Mrs. Linda Erick-Tetz.

“ Linda you Were such gentle caring person.
Loved by all. You Will be dearly missed. Always
be in my thoughts . Another aghast her wings.

“ Linda.....150% every LTC shift....night shift loved that when Linda
put the residents to bed, it would be a good night. Linda spent
numerous dollars to ensure residents had creams and denture
products. She came early on laundry days to fill the laundry
bags.....LTC residents in her care were tucked in, warm, and cared
for. I loved the smiles residents gave when Linda was their nurse.

Linda won a Norquest College award for HCA of the year....

*She was kind to all and her smile melted your heart. Even after
injuries, Linda returned, more determined than ever to continue her
work.....*

*She was loved, she is missed, and there will never be another
Linda.....*

“ As the ward pharmacist, I know only a handful of the many nursing assistants in LTC - but I knew Linda. She always had a hello, a wave, a big smile for me in passing. I will never forget that smile, that energy and vibrance. Watching her, you knew she loved her work. I will miss her, as will so many other staff and residents of LTC.

It's comforting to know the people she worked with thought so highly of her. <3
