Tribute Wall

“ I wish to extend my sincere sympathy to Lorraine's family, as it is with sadness that I hear of her passing. It has been many years since I have seen Lorraine. I worked with her at the University of Alberta hospital in the 70's and as a new CNA (in those days) she was the best person to work with, always helpful, kind and considerate of those she cared for as well as those she worked with. She taught me so much. I pray the Lord's comfort for the family and peace and rest for Lorraine.
