

## Lucy Norma Goodman

February 26, 1933 - November 23, 2014

Goodman, Lucy Norma (Mertz)

February 26, 1933 – November 23, 2014

Lucy Goodman, beloved wife, mother, grandmother and great grandmother, passed away on November 23, 2014 at the age of 81 years.

Lucy leaves behind two sons, Mark and Wade (Lorraine), daughter Christine (Barry); granddaughters: Tiila and Lila; grandson Daylen and great grandson Ian.

Lucy was predeceased by her husband Tom of 60 years; and her three brothers.

Lucy liked spending time with her friends at church, helping people in the Al-Anon program and spending time with her family. Lucy liked to travel and went to places in Europe, the U.S. and her favorite Hawaii. Lucy like going for long walks and chatting with her friends on the phone. She was a well-read person who always had her nose in a book. Lucy was one to never be outspoken and always enjoyed a good laugh. She was a very strong willed person who never backed down from a good fight, but she was also gentle in her own way, giving a shoulder to lean on and lots of good advice. I'm sure I can speak on everyone's behalf that Lucy was loved and will be dearly missed. Now you can

finally rest Mom.

“ There are so many ways I'm going to remember Lucy (& Tom) and smile at the lovely memories I have of them both. Elvis gospel music, tulips, bacon & eggs, purses with lots of bling, corn on the cob, purple flowers, storage wars (Tom), Dr.Phil, Lindt chocs, etc but most of all whenever I see an older couple hug I will remember Lucy holding out her arms every morning to give Tom a reassuring loving hug.

*It was an honour & privilage to call her my friend & to be a part of both of their lives.*

*I will miss our heart to heart chats, hearing her roar in laughter, reminiscing about Tom & her sound advice. Its a comfort to think of Lucy & Tom being together again. RIP my friend. Love Fiona*
