“Mike was a fun person to work with. And he was a very happy person and he loved his mom and his wife and his son. An I heard that he had a little girl but I did not see him then..He was way to young to go But the good Lord needed him up in Heaven. He is looking down on you all .He will live on in memory of all the things you all did together.I sure do miss you all. I use to be so close to you all ten years ago..My gosh has time flew by.This month will be hard on you all, but in time you will all heal..May God bless you all in your time of sadness..Love an hugs from Dorothy Alde.

“Babe you were my life, my rock, the half that made me whole. Not a day will go by that I will not think of you. My heart is shattered, and it will be a long uphill battle but I will do my very best. Until we meet again I'll hold your heart in my heart. I love you
