“ *You are so funny Michelle. Your heart so big. Your loyalty unmistakable. Strong, courageous, fierce. Calm, cool & collected. Beautiful on the inside and out. I hear your big laugh in my head. The way you would say "I KNOOOOWW!" You'd found your soulmate, Jay & I know you'll never be far from him. You wore motherhood proudly like a badge of honor. When I look at your children I see your face. They are your heart and they will keep it beating for you.*

“ *The moment that you left me, my heart was split in two
one side was filled with memories
the other side died with you.
I often lay awake at night when the world is fast asleep
and take a walk down memory lane with tears upon my cheek.
Remembering you is easy,
I do it everyday but missing you is a heartache that never goes
away.
I hold you tightly within my heart and there you will remain
you see life has gone on without you, but will never be the same.*
