“ My condolences to the Winch family. 54 years is a long time to be with the one you love and God know this and your pain. Please Mr. Marvin, in your spare time, go to him and taste and see that he will give you the strength to continue on, as you find comfort from your sweet memories. So as 1 Peter 5:7 says: Throw all your anxiety upon him (God) because he care for you. May you and your family find some comfort from this.
