“ *Keith & Dawnalyn:  
As you already know, our hearts go out to both of you and to Tineta, Troy, and Sean...I have been a big part of your family's life in the music business...and more importantly, Cody has been a big part of my life in the music business....I have worked with him for a big part of his life and I always thought he was one of the most talented musicians....he was a fantastic drummer, and a great singer....I can't remember him when he wasn't smiling or laughing about something...Our hearts go out to all of you at this time
