“ *My sincere sympathy to your family, you are gone far too young. I remember many times over the years of working with you at Edmonton FIC, of you teaming with Bob & then Tony, doing Monty Python sketches for those of us who might not always have fully appreciated them! I still smile when I think of those times.*

“ *My condolences and prayers to your family....I will always remember all of our great times and so many laughs together at Edmonton FIC, I will never listen to a Monty Python sketch or try to find the right room for an argument without thinking of you.*

“ *My deepest sympathies to all for the loss of a good man. I wish I could hear you sing 'House of the Rising Sun' one more time. Peter, you were always kind to me and very laid back. I cherish the years we sang with you. I wish I could say goodbye in person. May this tribute wall bring solace to your family and friends.*
