

Robert ("Bob") Edwin Muir

March 10, 1925 - March 13, 2014

It is with great honor and pride we celebrate the life of Bob Muir who passed away suddenly and peacefully on March 13, 2014 with his loving family by his side. Dad had just turned 89 a few days before.

He will be sadly missed by his son Rob (Jude) and daughter Joan (Bernie) Hermus, together with his six grandchildren Steve (Marian), Dan (Jackie), Jodi (Jay), Mike, Laura and Adam. His memory will be treasured by his four great-grandchildren Tanner, Katlyn, Samara and Noah. He will be missed by his two sisters, Wilma Bayly and Lily Robertson; as well as many treasured friends and relatives.

It brings us great peace to know he is now back together with his loving wife, Berta.

A private family service has taken place and at Dad's request, an Open House will be held for all his many friends to share their memories of this remarkable man. An announcement will be placed in the Leduc Rep with date and time late in April.

If desired, donations can be made to the charity of your choice.
