“ *Rob's family thought of him as "Uncle Buck" but to me he was a gentle giant....He had a good heart and loved lots....Misunderstood in many ways but when you really got to know him he was a good man and didn't want any one to know his true self..He sat with my mom and me many times and talked about things that really mattered in his life.He loved to cook and bake and always brought us a sample..He will be greatly missed by me... Rest in peace Rob.....*
