“ I first met Rod at Elim Chapel before I went on a 1 year short term missions trip to Japan. He was a huge encouragement to me and very generously supported me and regularly prayed for me. Then when I returned as a full time missionary with my husband, he continued his regular support through finances and prayers, and even encouraged the small group he led to do the same for us. He was a real blessing to both of us. We will really miss him and wish we could be there to celebrate his life at the memorial service. We are thankful for his spiritual legacy and passion for missions. Our thoughts and prayers are with you as you grieve as we can only imagine what a great loss this is for you as a family.
